Hotel reservation

Start hotel reservation

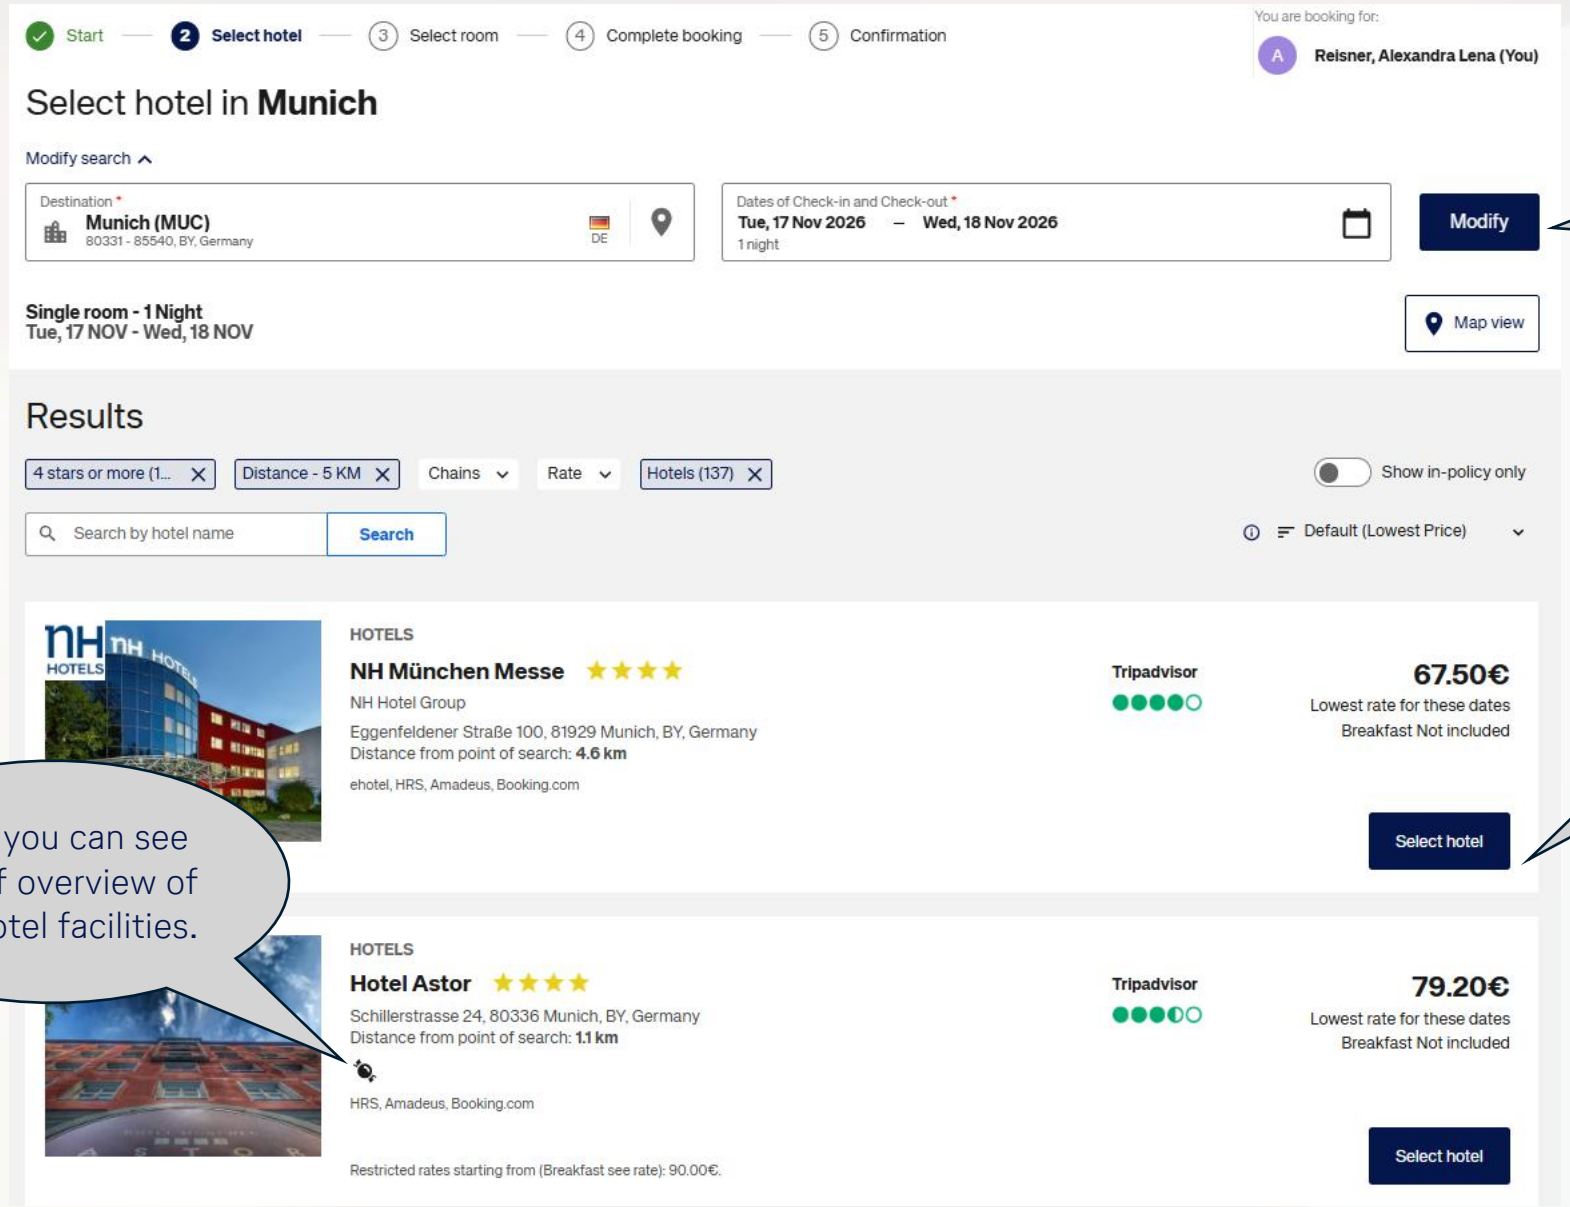

Hotel input mask

- For the destination, enter a city, a point of interest, a hotel or a predefined company location or enter a specific address.

The hotel vacancy display

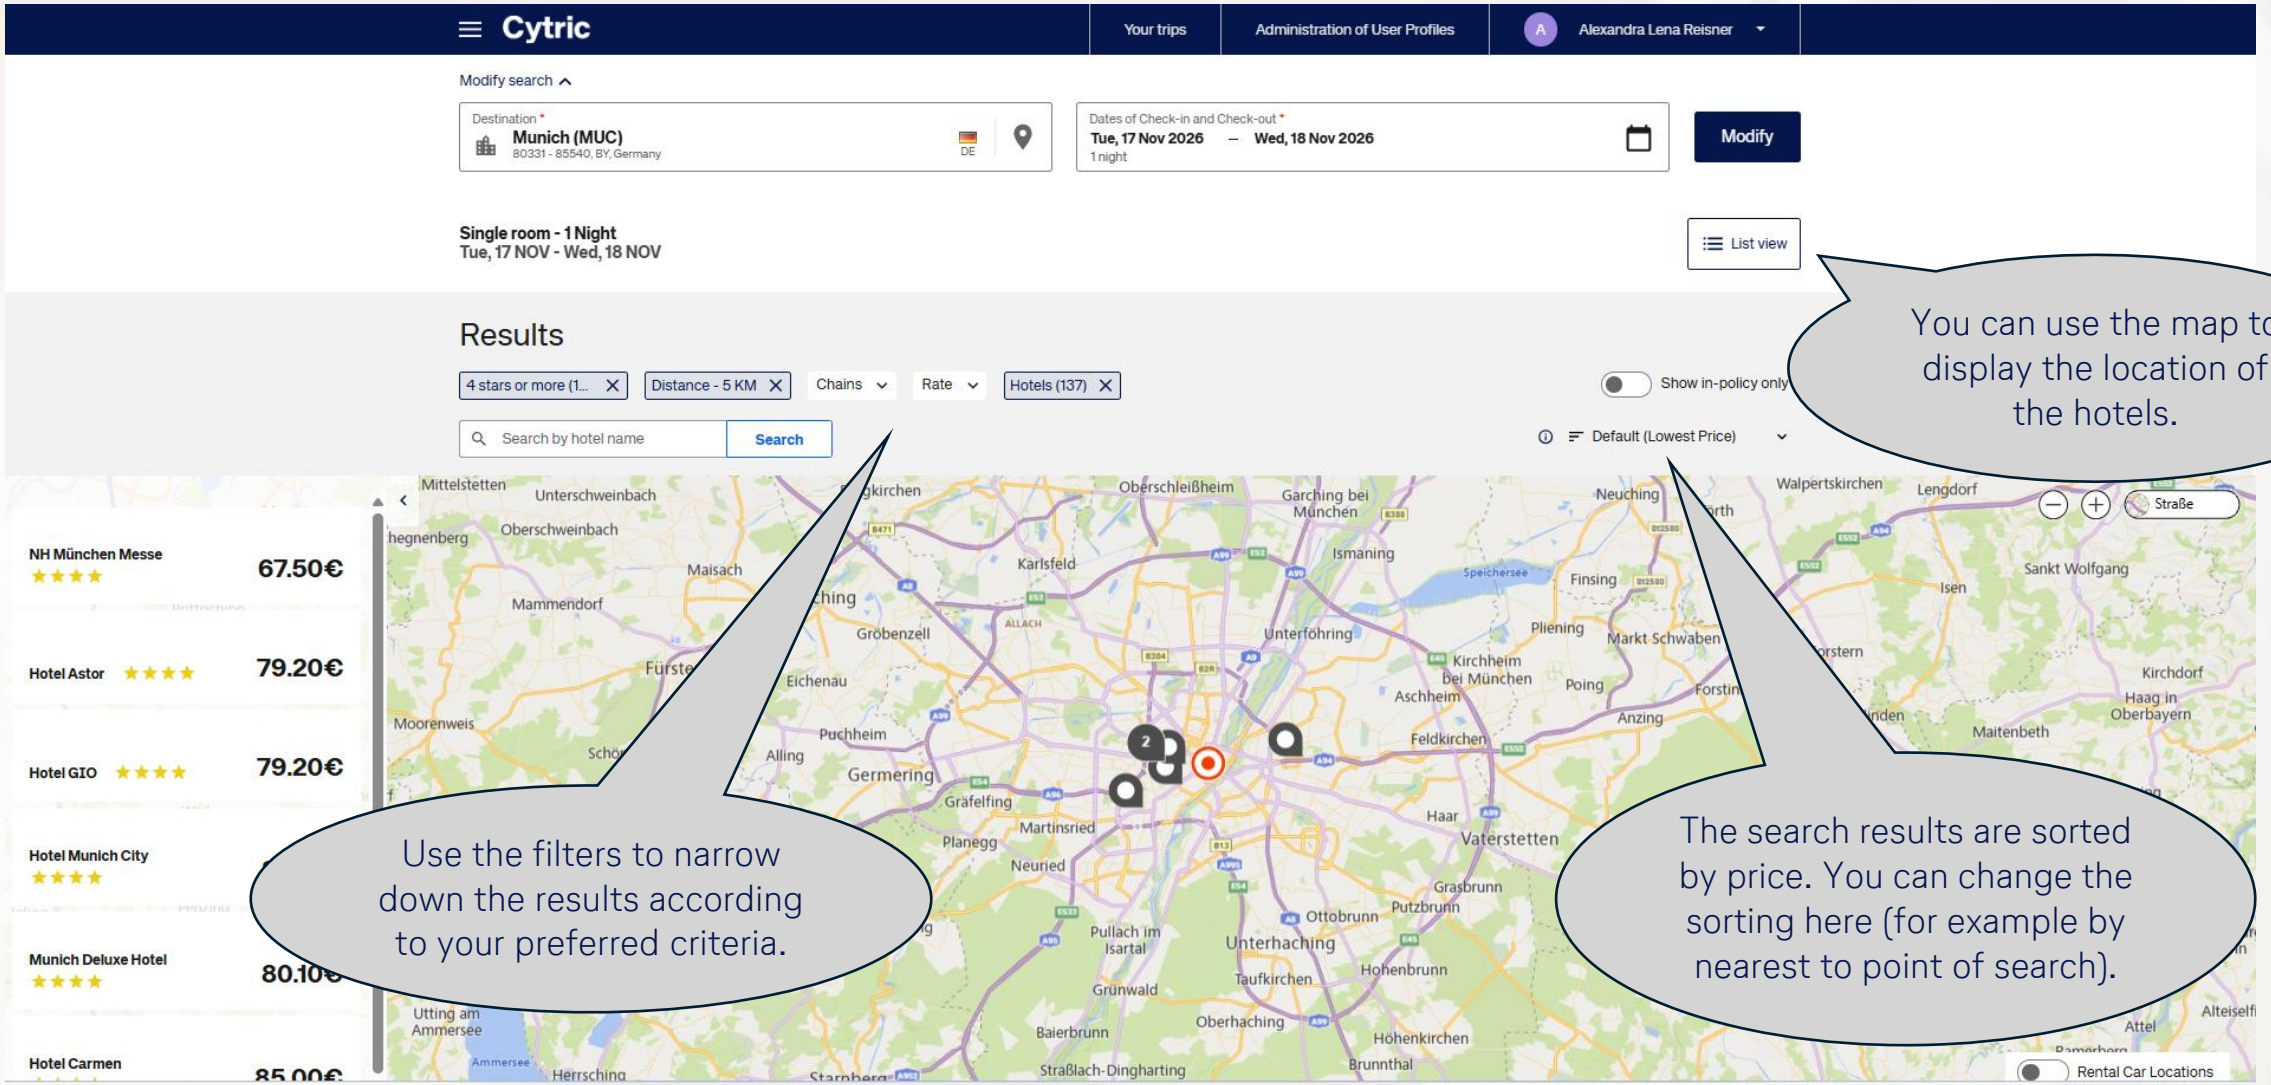

If the search does not deliver the desired results directly, you can adjust the query parameters here.

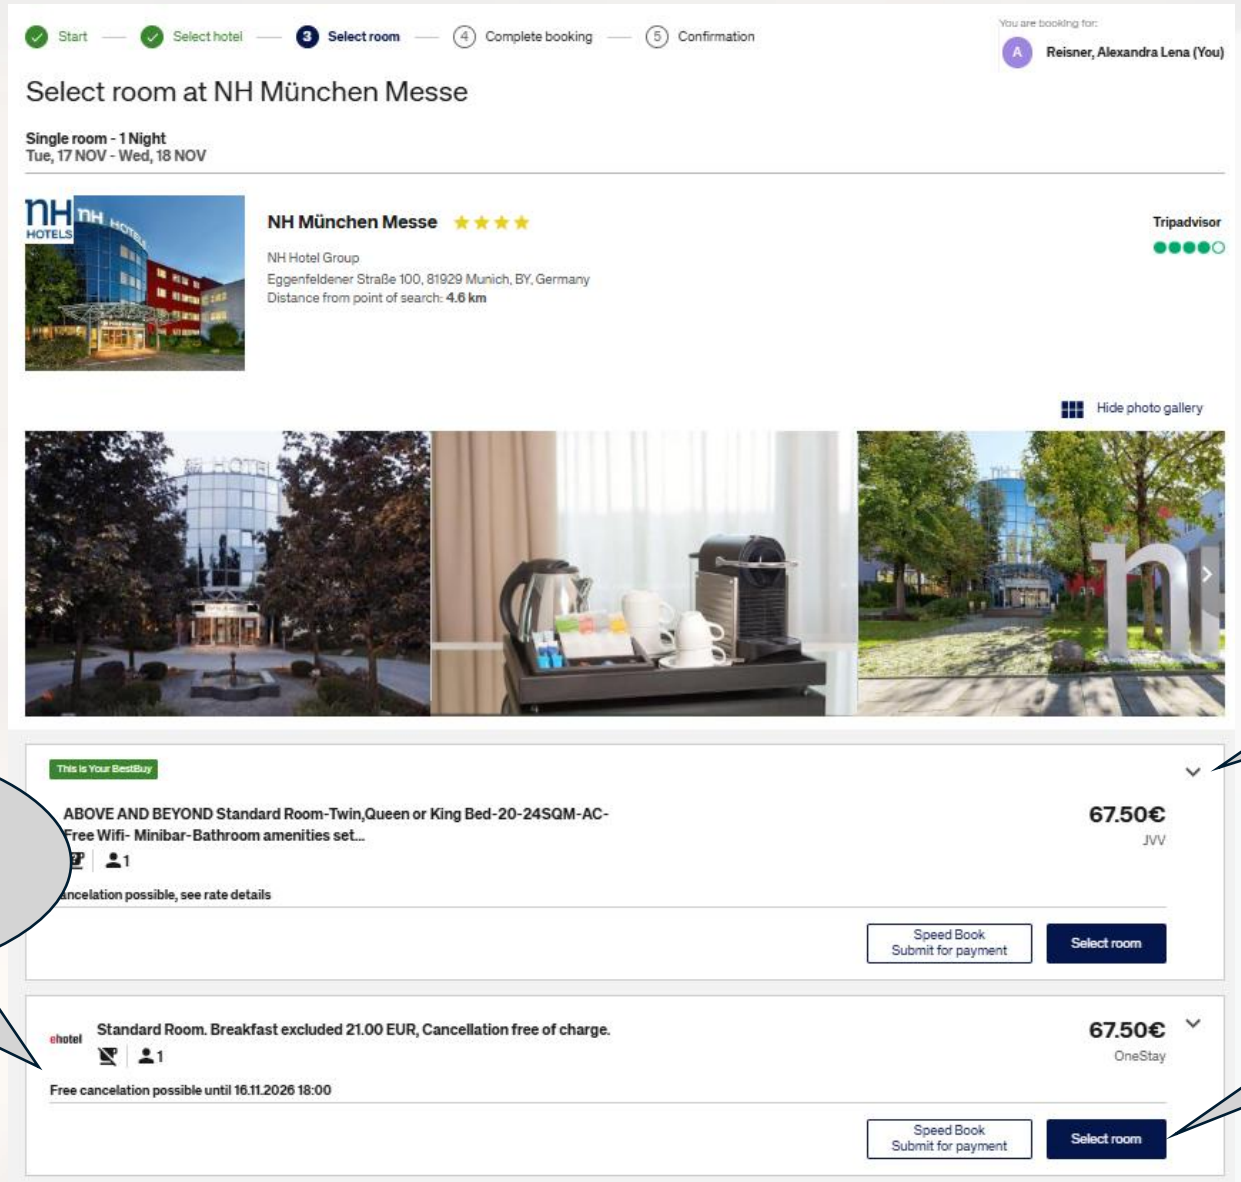

Click on "Select hotel" to view details and select a suitable rate.

Here you can see a brief overview of the hotel facilities.

Useful functions for hotel vacancy display

Rate selection

After clicking on the arrow you will receive a detailed room and rate description.

The cancellation conditions of the rate will be displayed to you.

Select the rate you would like to book here.

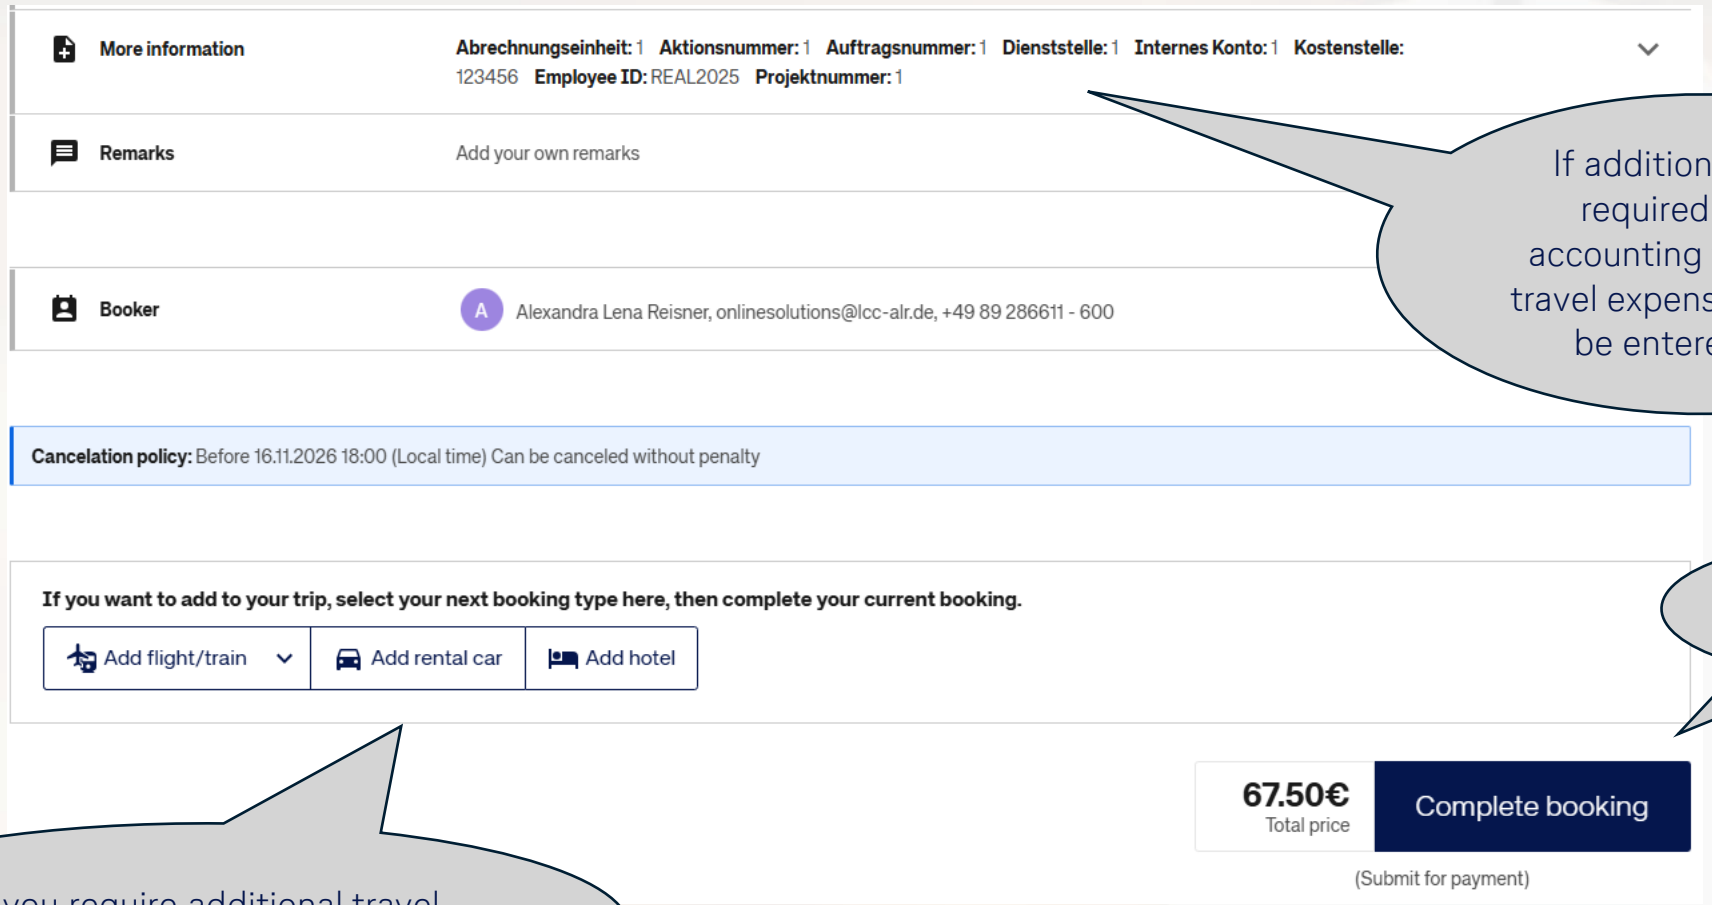

Reservation completion page (1/2)

Payment/Guarantee

- To book a hotel room, it is necessary to provide a credit card.
- Depending on what your company has negotiated with the providers, this can be a central company card or a personal card.
- The payment for the hotel stay is also processed - depending on the agreed terms - either via the central company card or on site via a personal credit card.

Reservation completion page (2/2)

If additional data is required in your accounting to process travel expenses, this can be entered here.

Complete the booking.

If you require additional travel services, please select them here.
