Rail input mask

Redirect page to the bahn.business portal

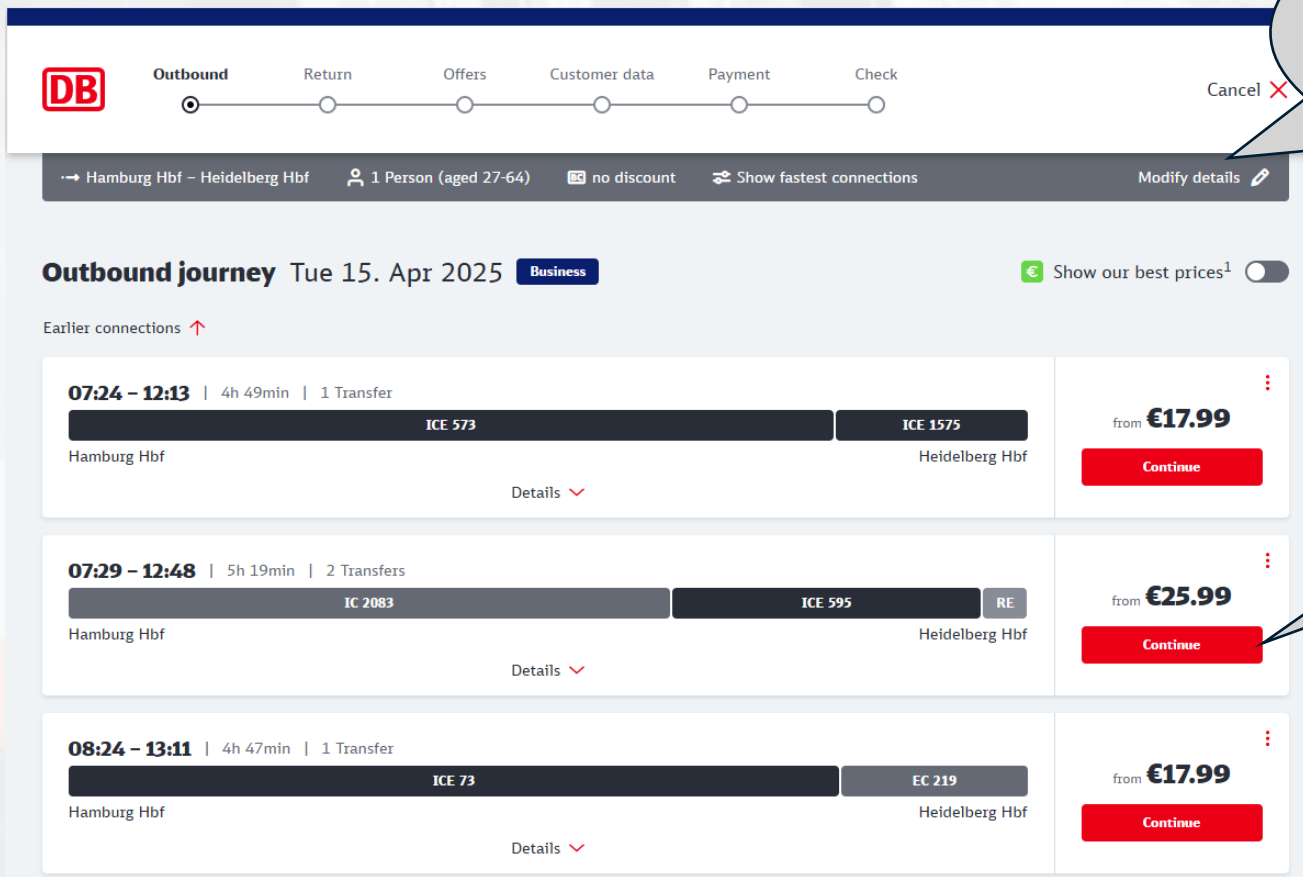

Payment is processed using a central company card or a personal credit card in accordance with the terms agreed with your company. If both are possible, you can choose between the company credit card and the personal card here.

Before you are redirected to the bahn.business portal, you have the opportunity to provide additional data for the processing of travel expenses.

If your Bahncard is not yet stored in your profile, you can add it here for the search.

By clicking on “Continue to”, you will be directed to the connection search at Deutsche Bahn.

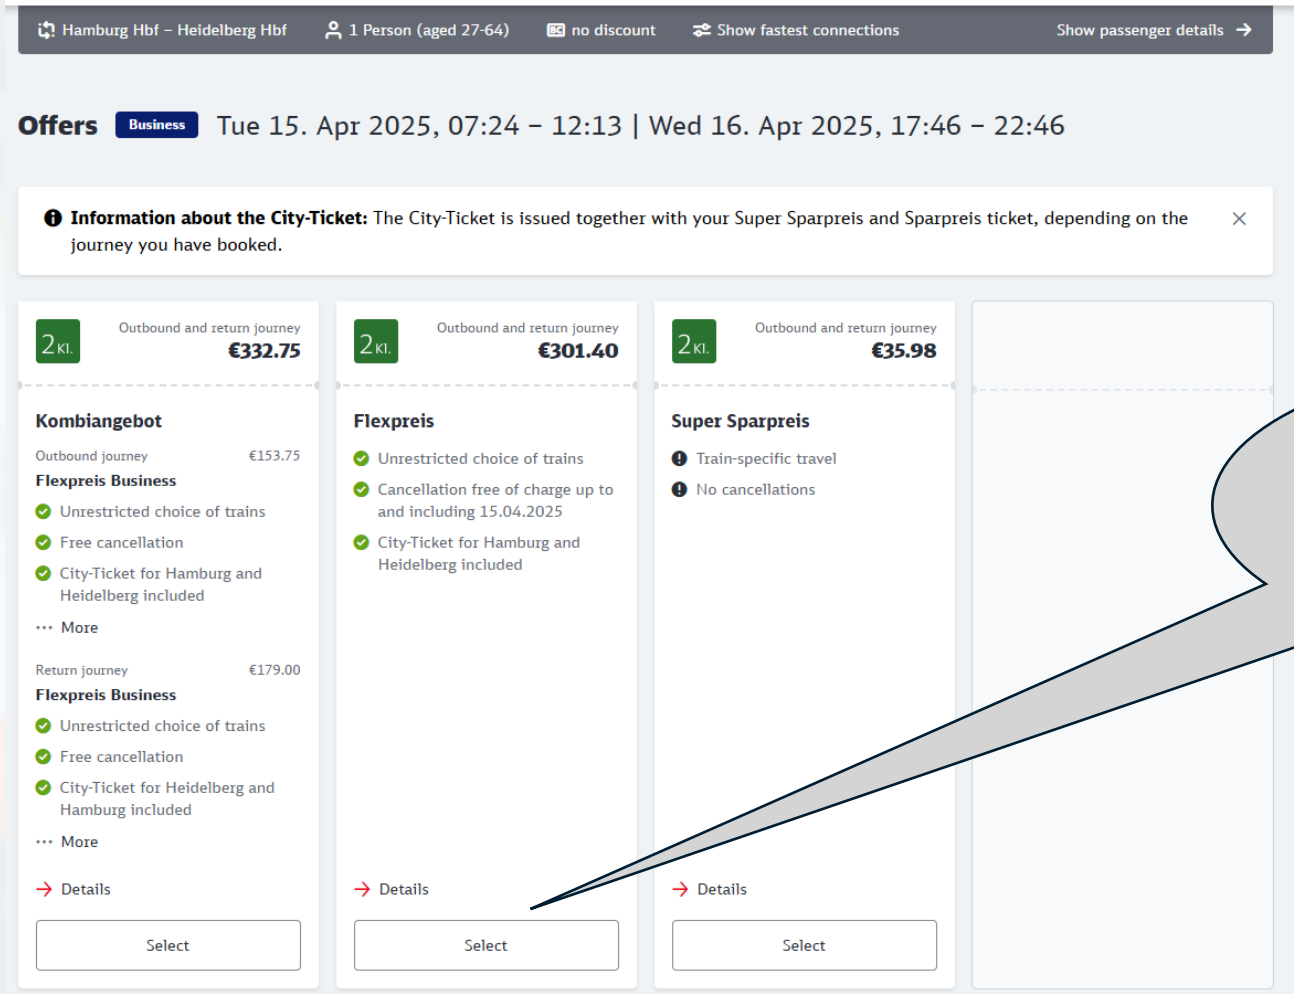

Reservation mask in the bahn.business portal

If the search does not deliver the desired results directly, you can adjust the query parameters using “Modify details”.

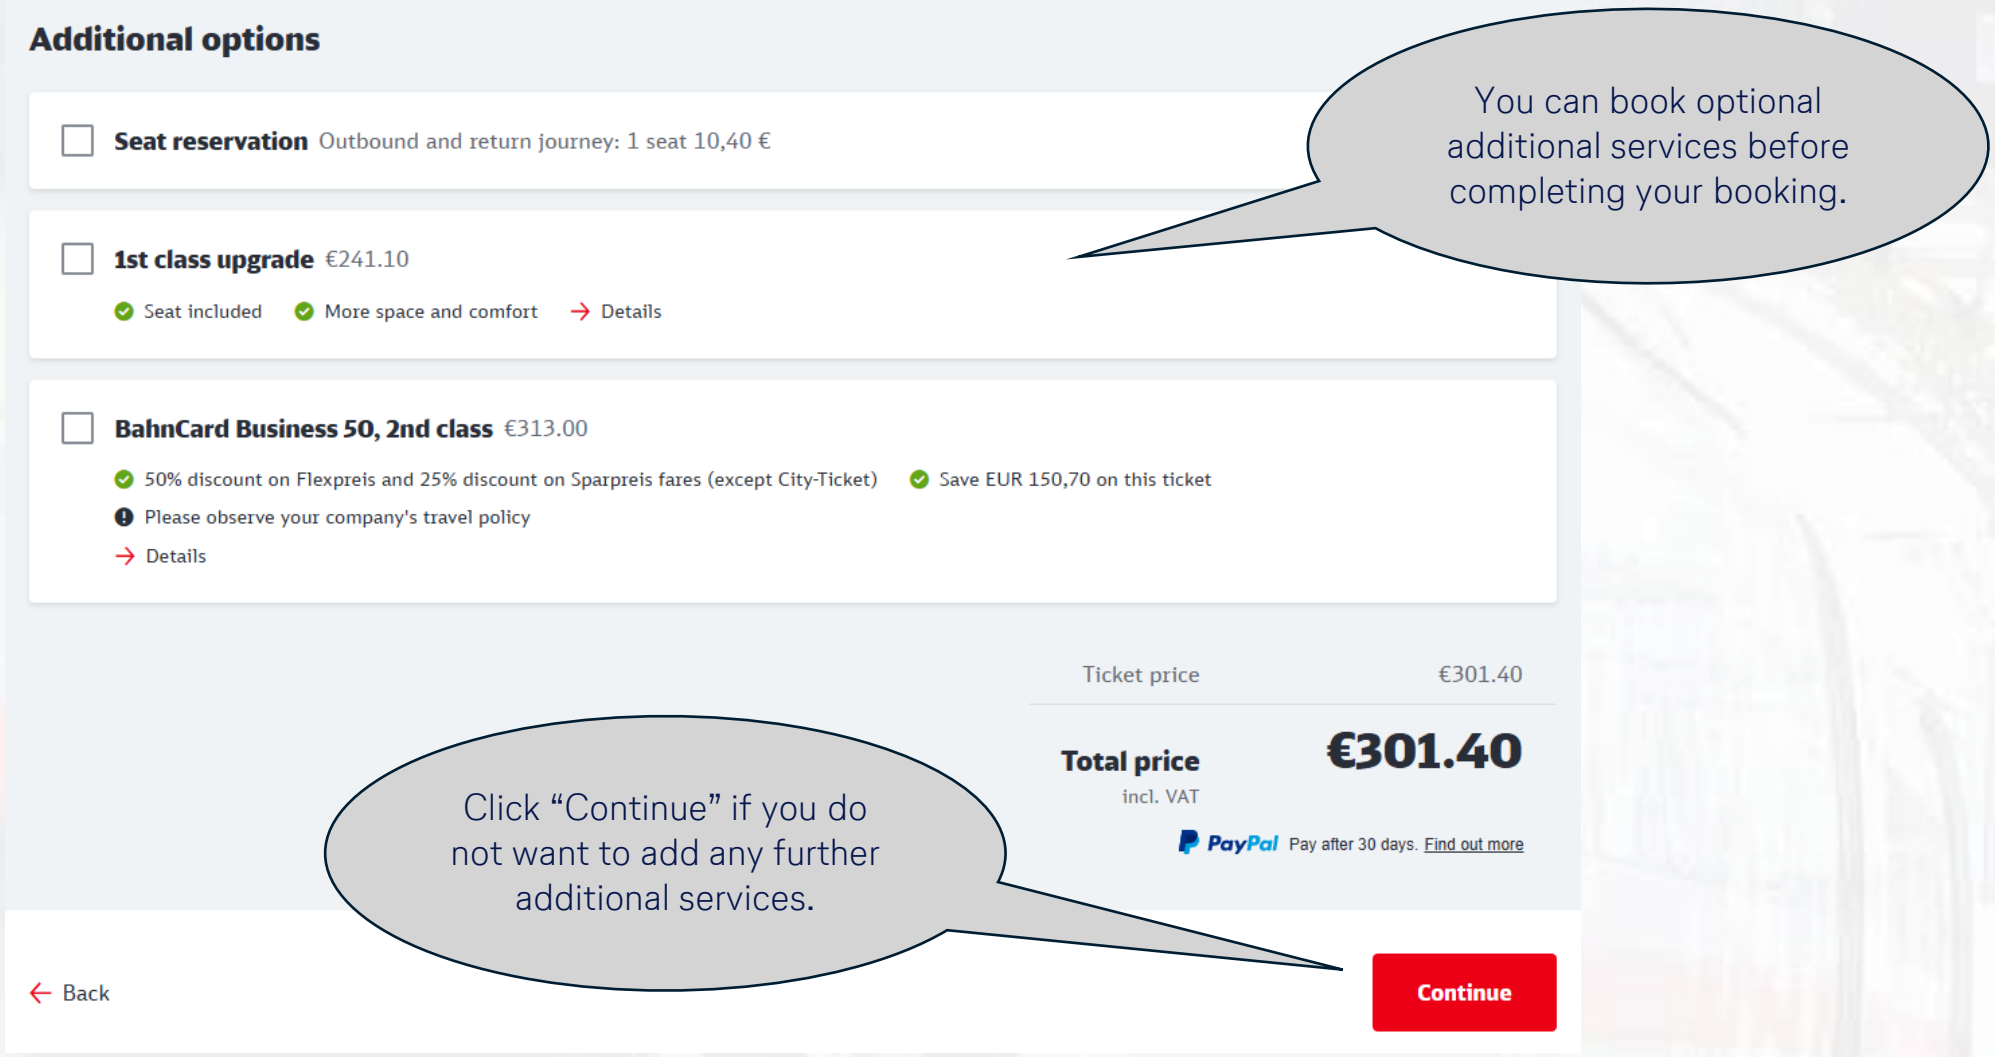

Once you have decided on a train connection, click on “Continue”.

Rate selection in the bahn.business portal

Once you have decided on a train connection, you can select the rate that suits you best in the next step.

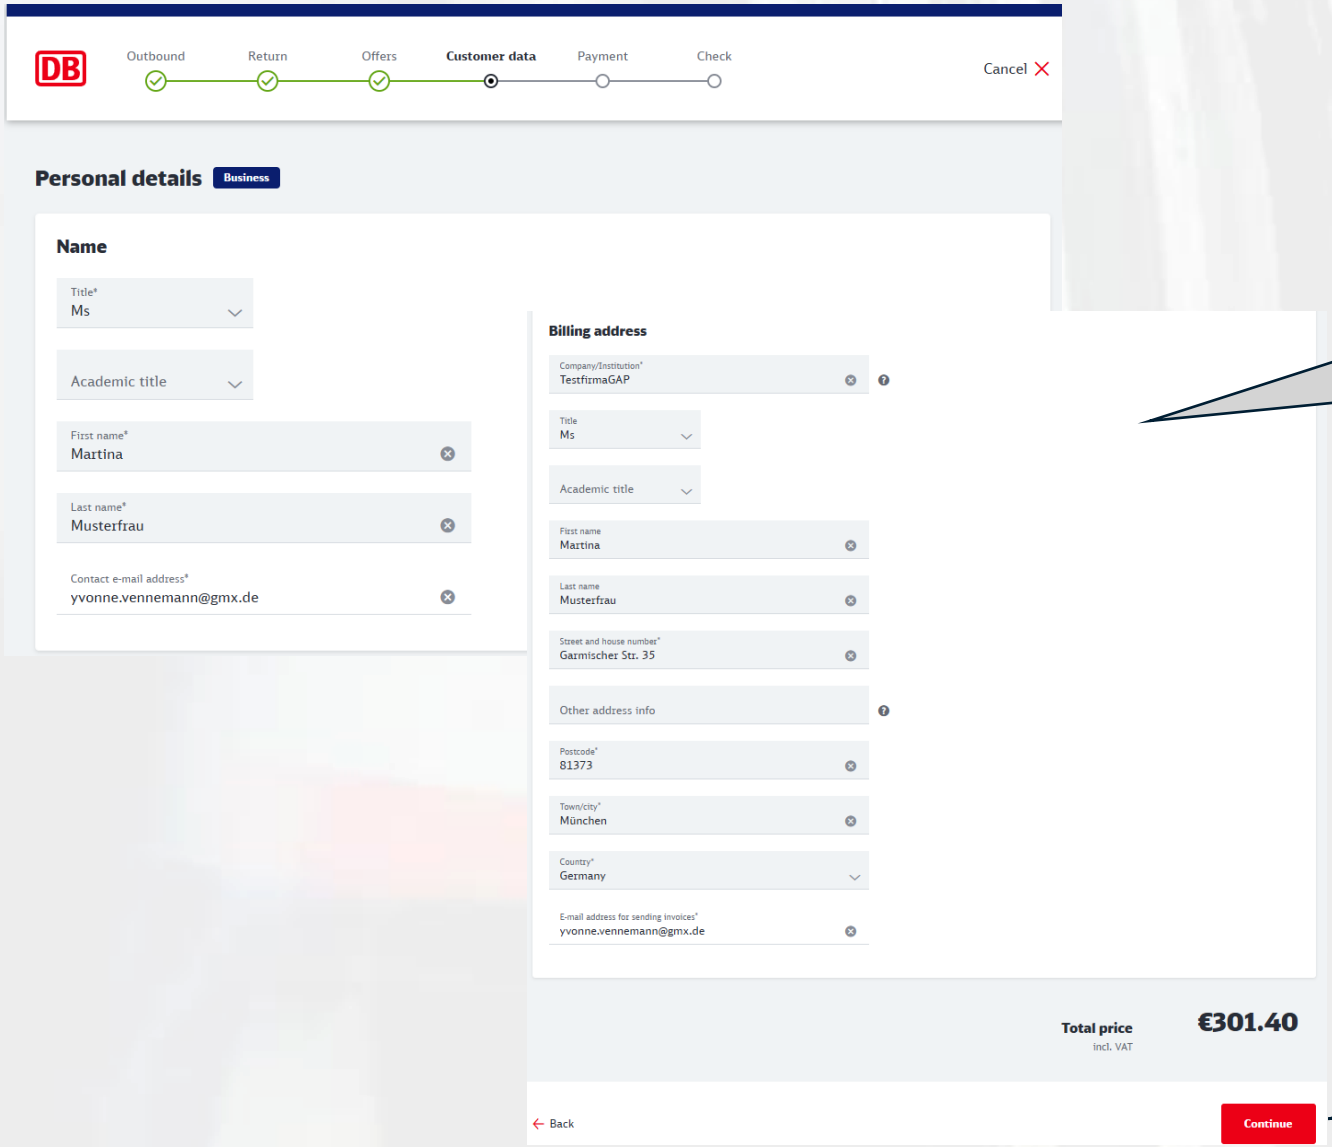

Selection of optional additional services

You can book optional additional services before completing your booking.

Click “Continue” if you do not want to add any further additional services.

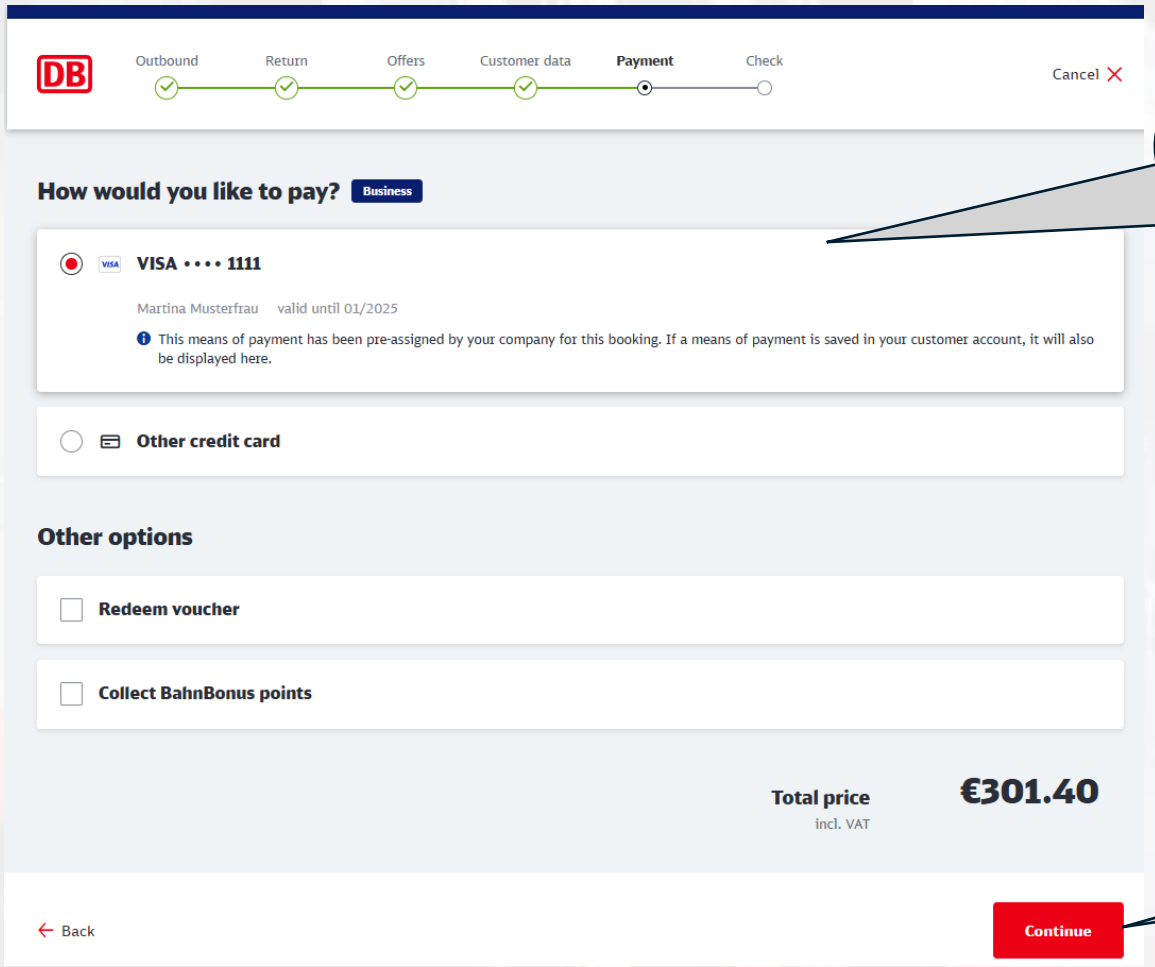

Entering the billing address

Billing address and personal information are automatically transferred from onesto to the bahn.business portal.

Click on „Continue“.

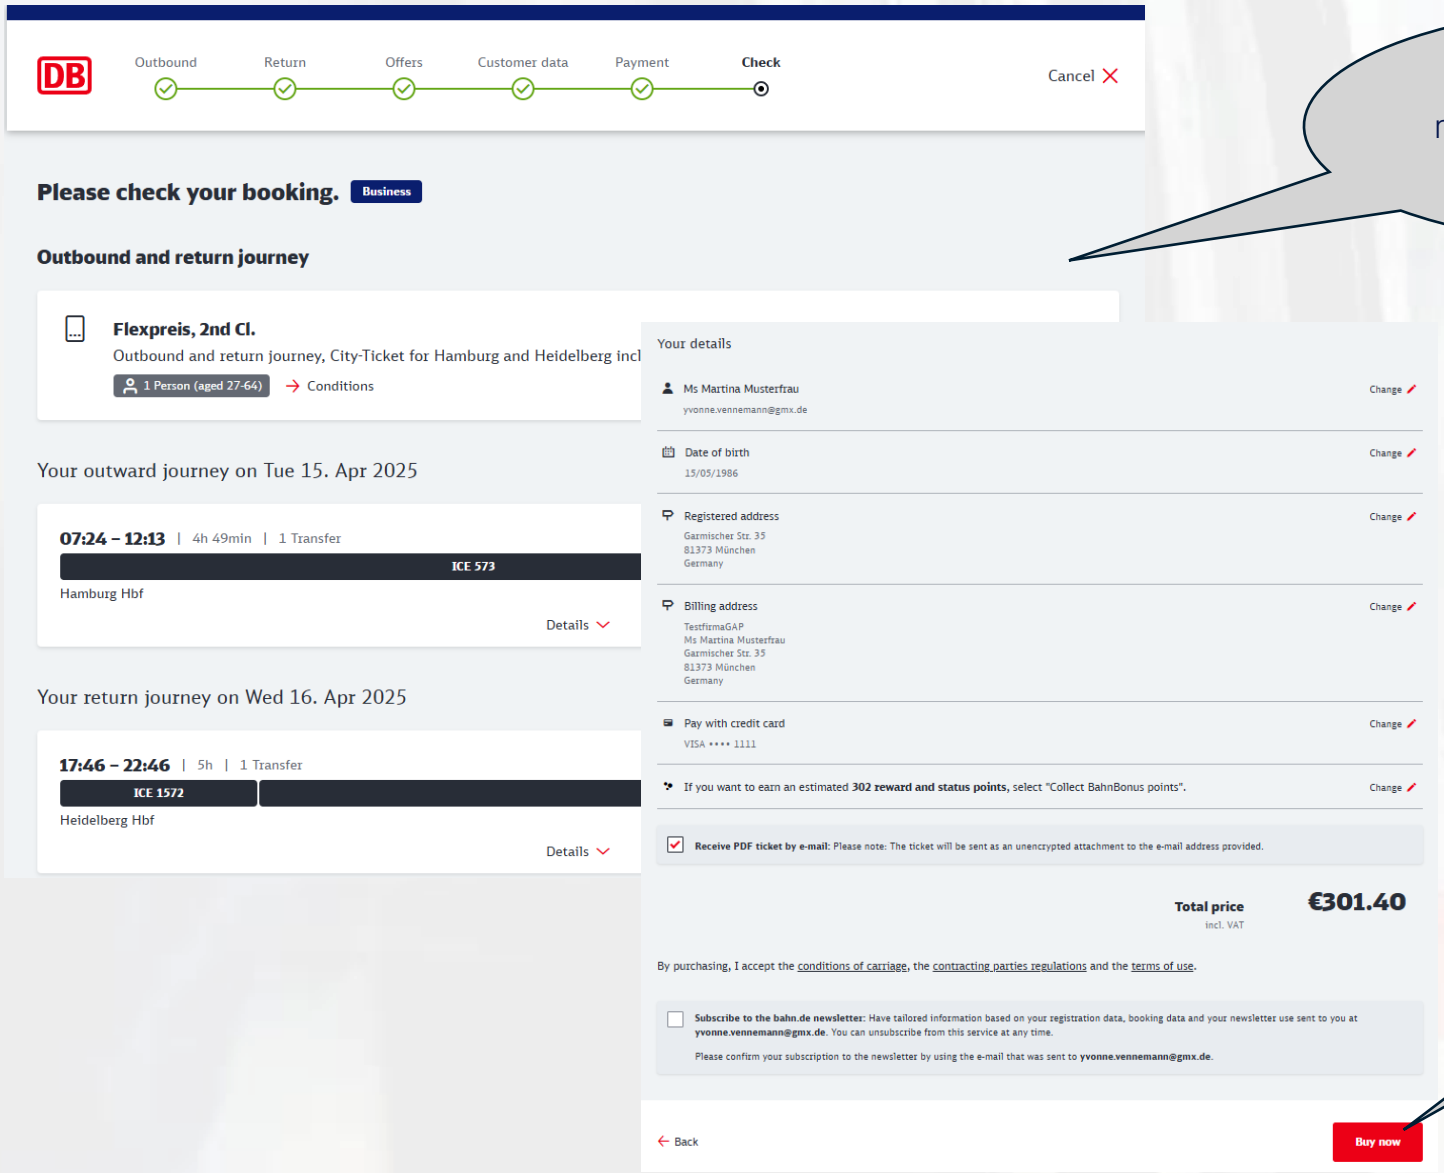

Billing of the train reservation

The payment terms and the additional data relevant for billing are transferred from onesto and are already pre-filled.

Click on „Continue“.

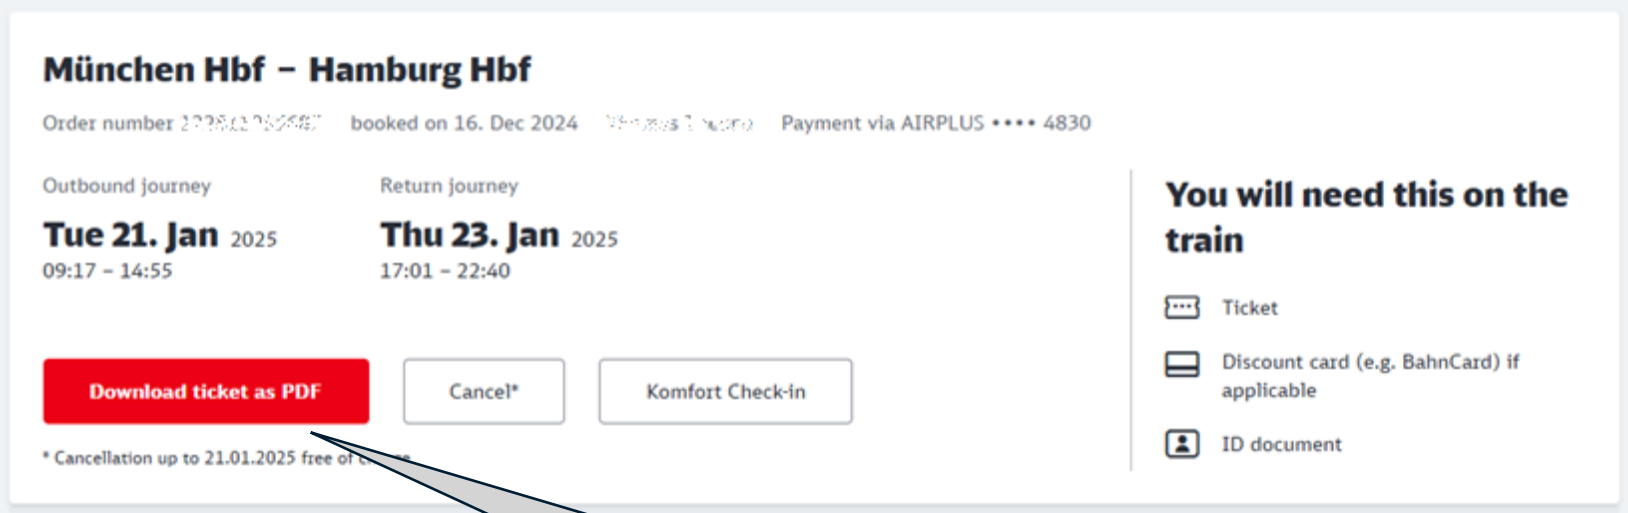

Reservation completion

Before completing the reservation, the trip details will be displayed again.

Click on “Buy now” if you want to complete the reservation.

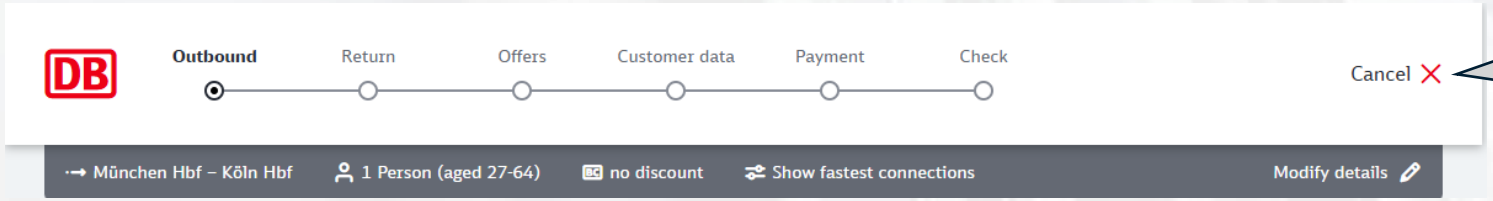

Confirmation page in the bahn.business portal

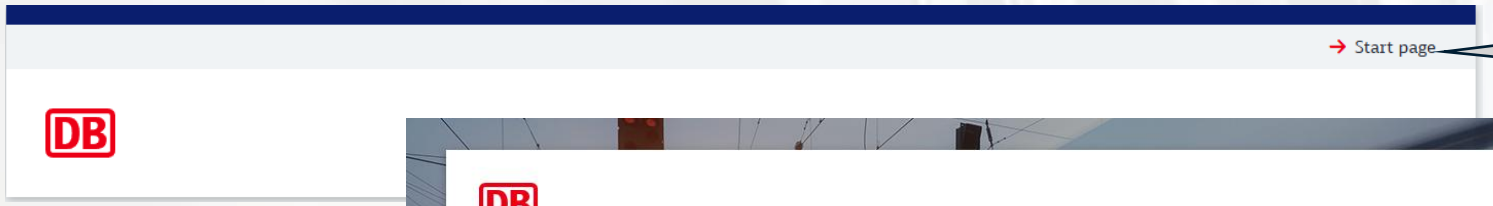

After completing the reservation, the booking confirmation will be displayed and you can download the ticket as a PDF file.

- The traveller receives the online ticket and the travel receipt in 2 separate emails after booking is completed.
- When the browser tab/window is closed, the booking data is synchronized to onesto.
- The ticket is not imported into the onesto process but can only be accessed in your bahn.business portal.

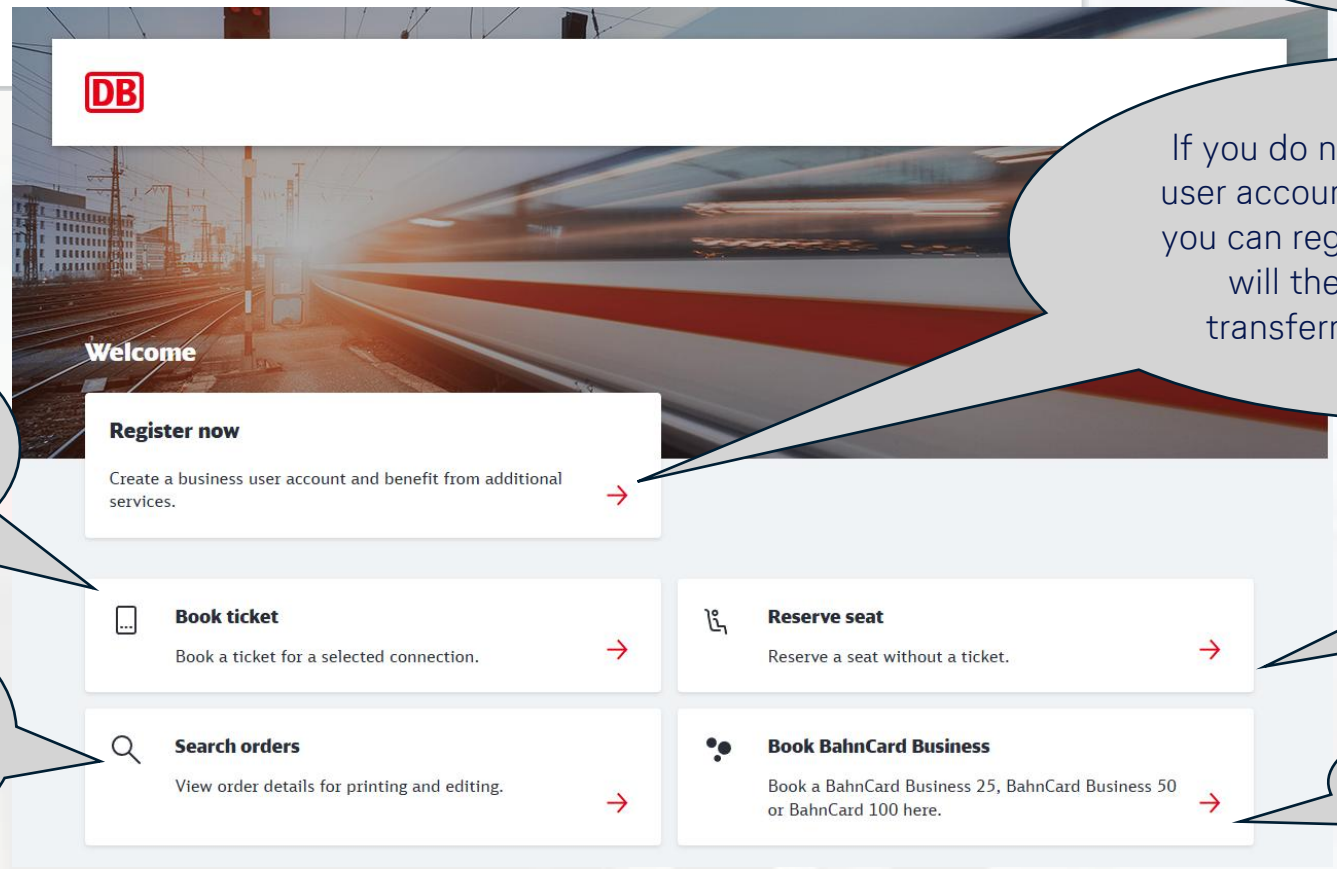

Landing page in the bahn.business portal

To get to the landing page, first click on “Cancel” in the booking form.

Then click on “Start page”.

If you do not yet have a business user account with Deutsche Bahn, you can register here. Your tickets will then be automatically transferred to DB Navigator.

Click here to access the booking form.

It is possible to make seat reservations without purchasing a ticket.

You can search for existing orders.

You can book a BahnCard Business here.
