Rental car reservation

Start rental car reservation

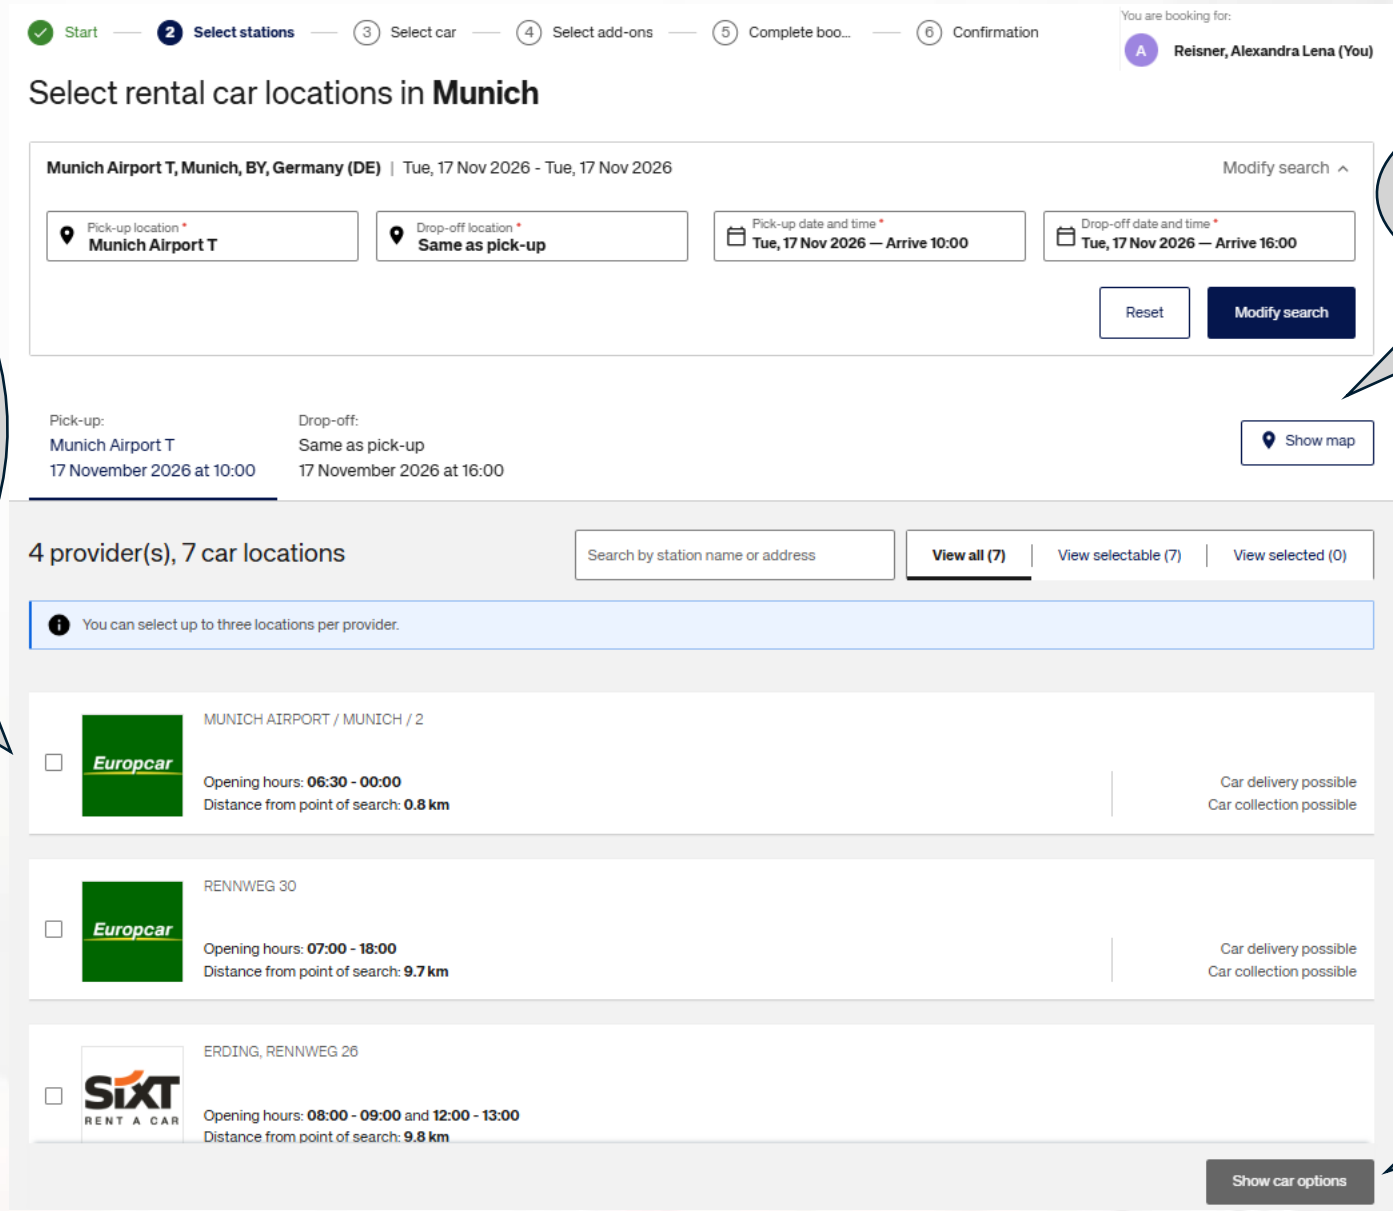

Rental car input mask

- You can specify whether the car should be picked up at a station or delivered to a certain address.
- Enter a city or a predefined company location for the pick-up location or enter a specific address.
- You can choose whether the rental car should be returned to the pick-up rental station or another station, or whether the rental car should be collected from a specific address.

Selection of the rental station

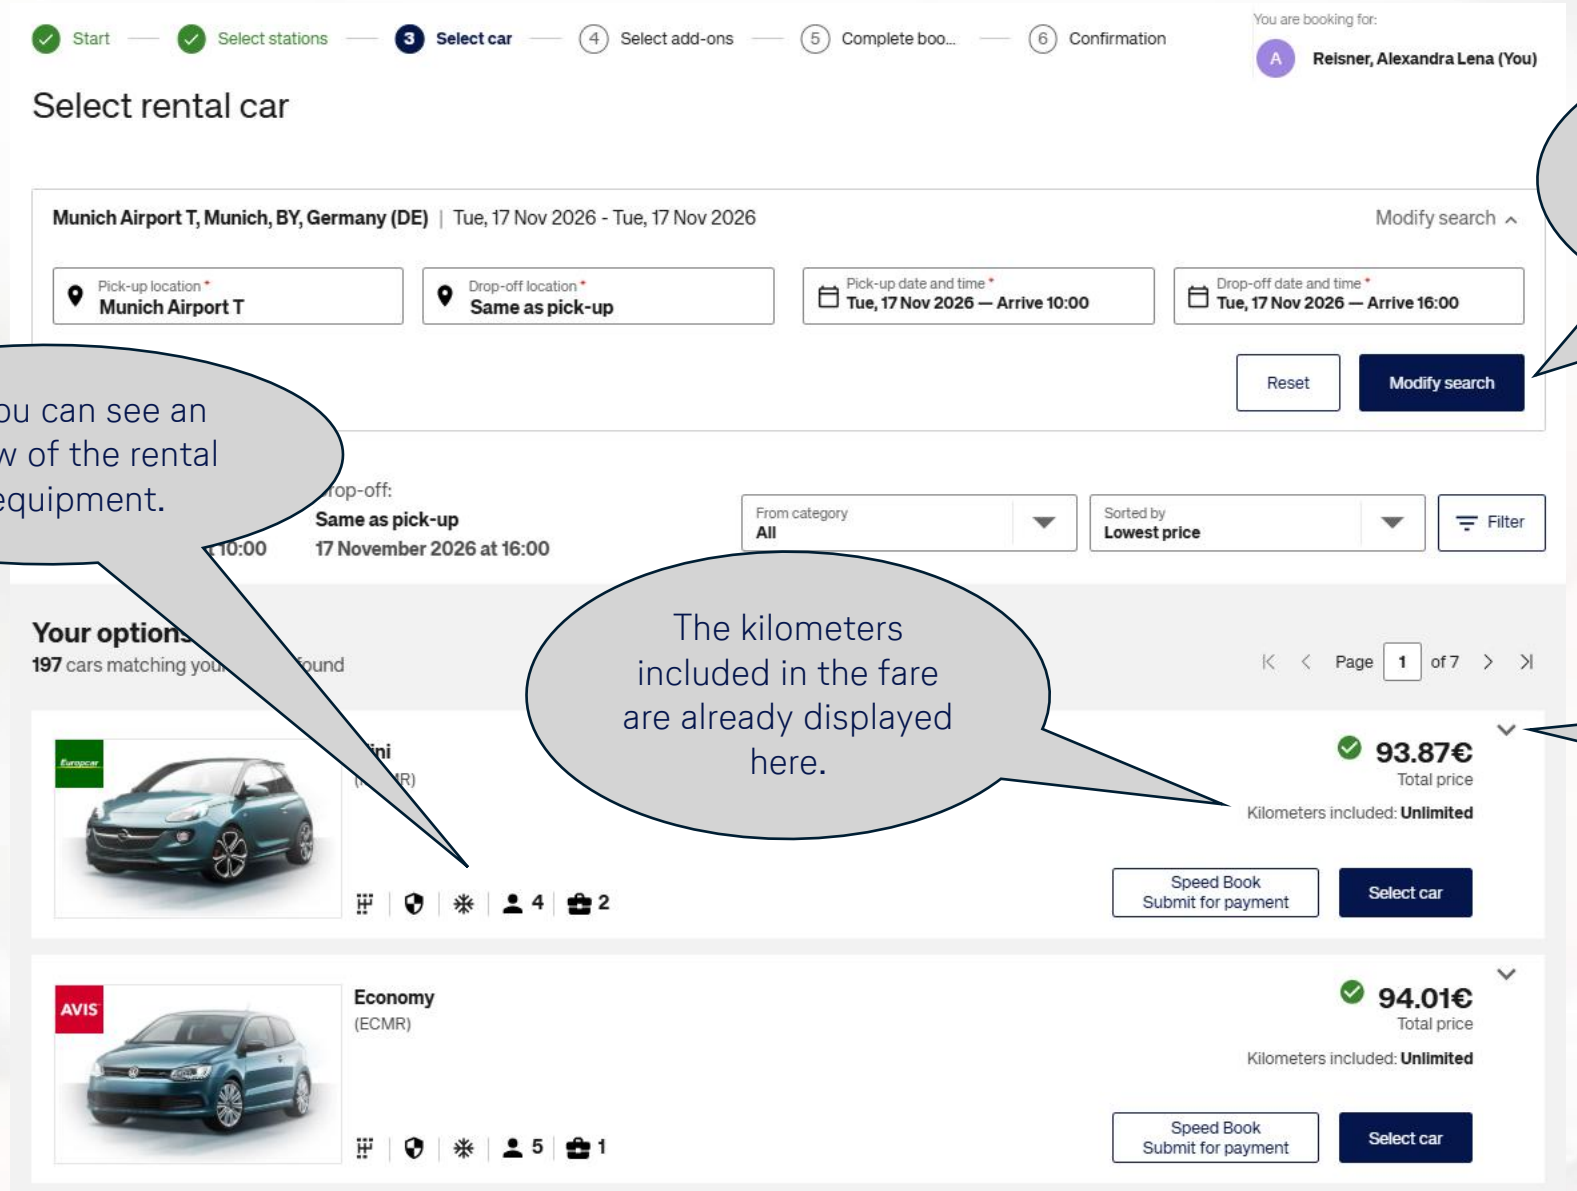

If several stations are possible for your search criteria, select the desired rental station here or compare the offers from up to three stations per provider.

You can use the map to display the location of the stations.

Click on „Show car options“.

The rental car vacancy display

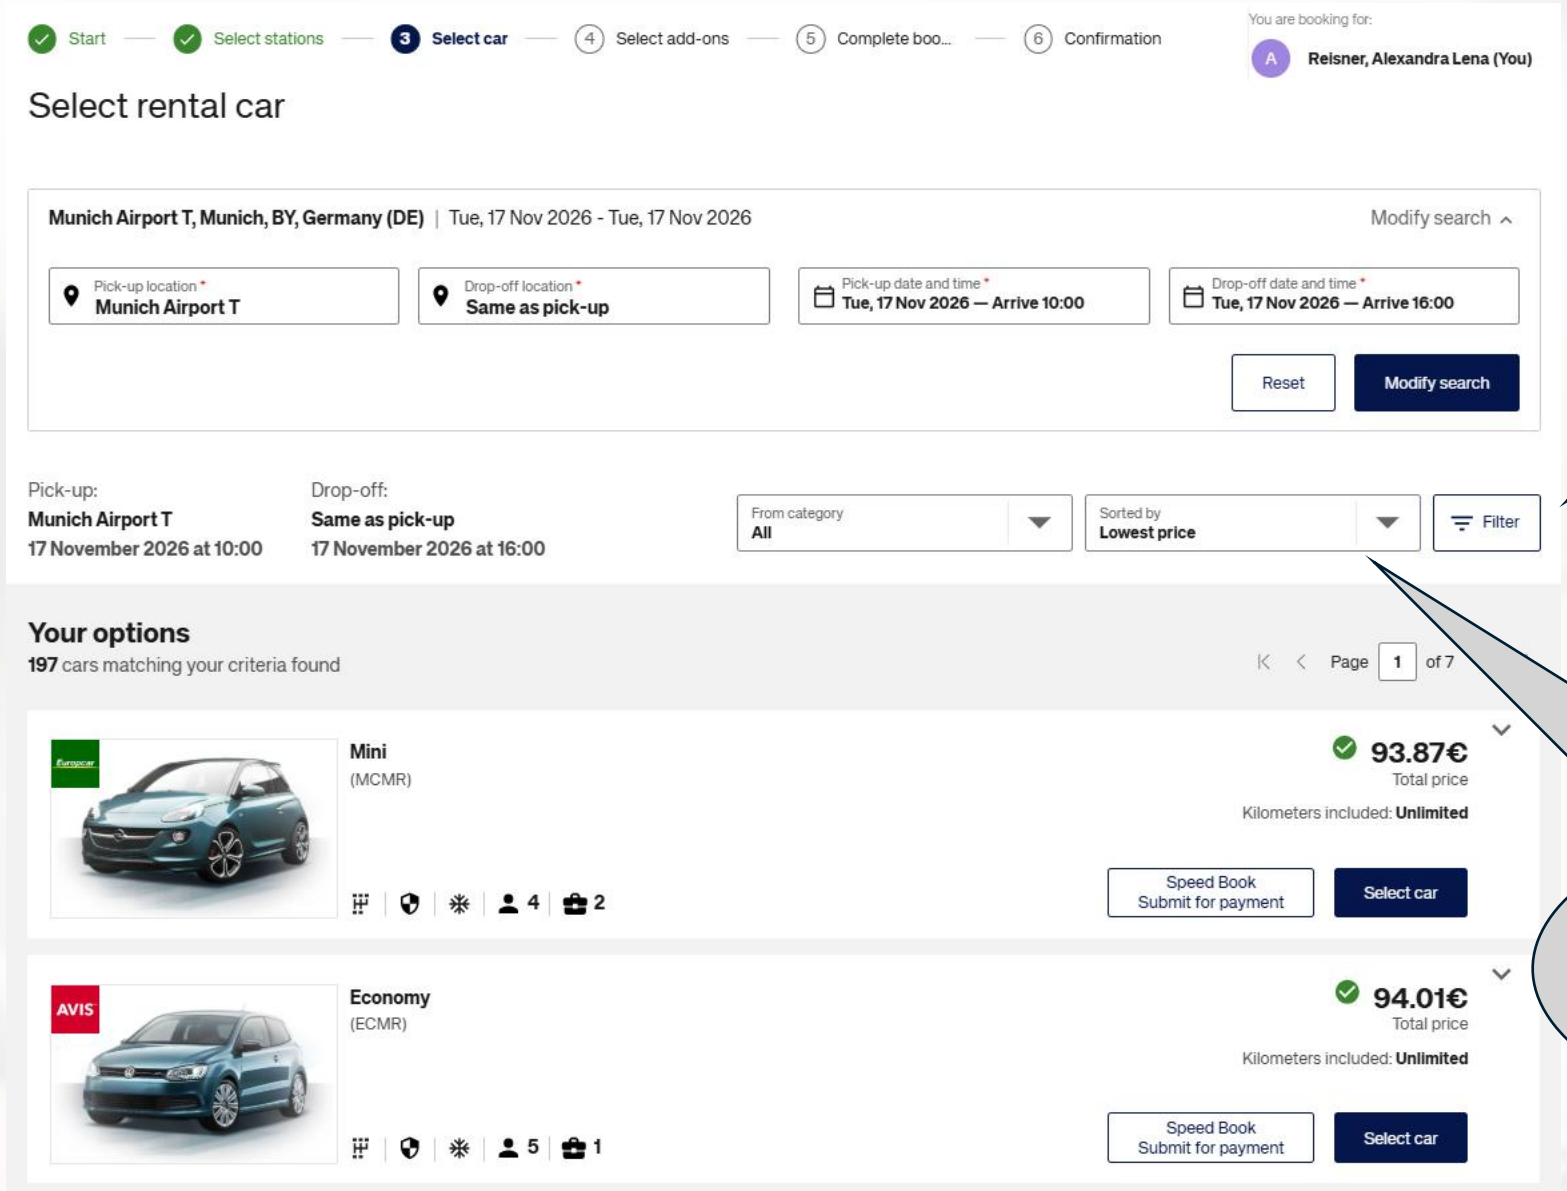

If the search does not deliver the desired results directly, you can adjust the query parameters here.

Here you can see an overview of the rental car equipment.

The kilometers included in the fare are already displayed here.

Click on the triangle to get detailed information about the station and rental car capacity.

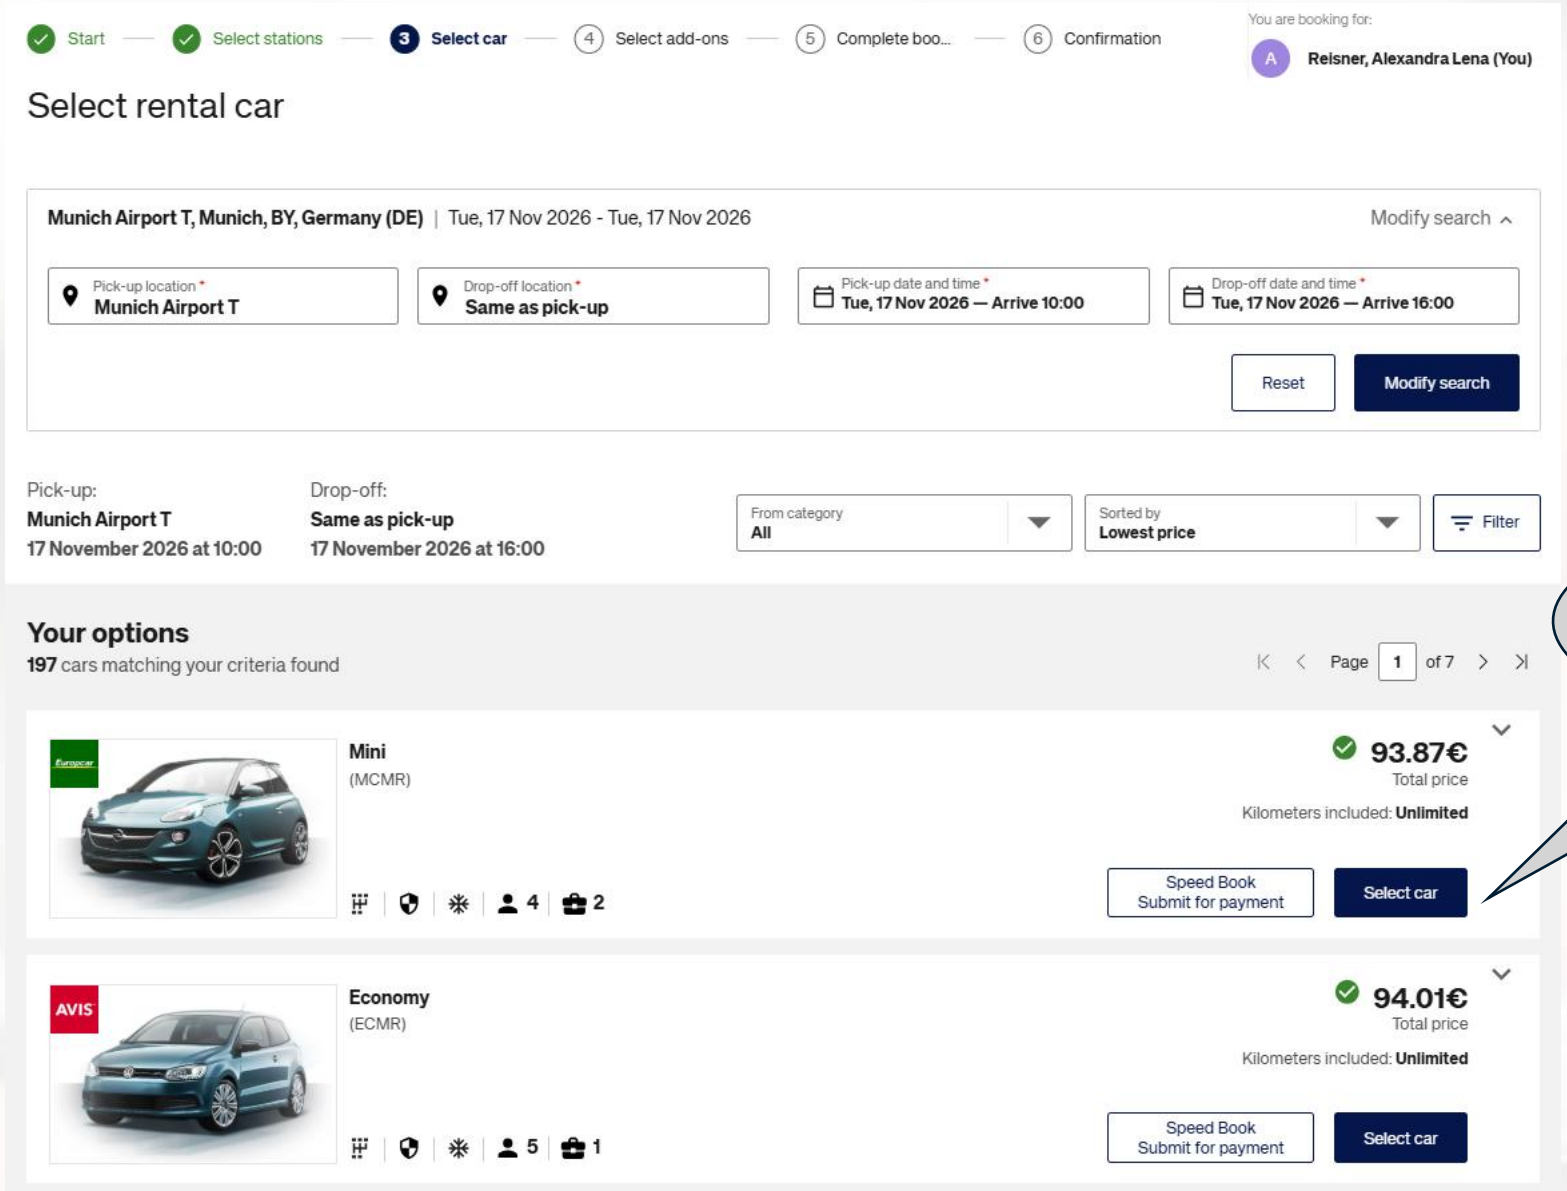

Useful functions for the rental car vacancy display

Use the filters to narrow down the results according to your preferred features.

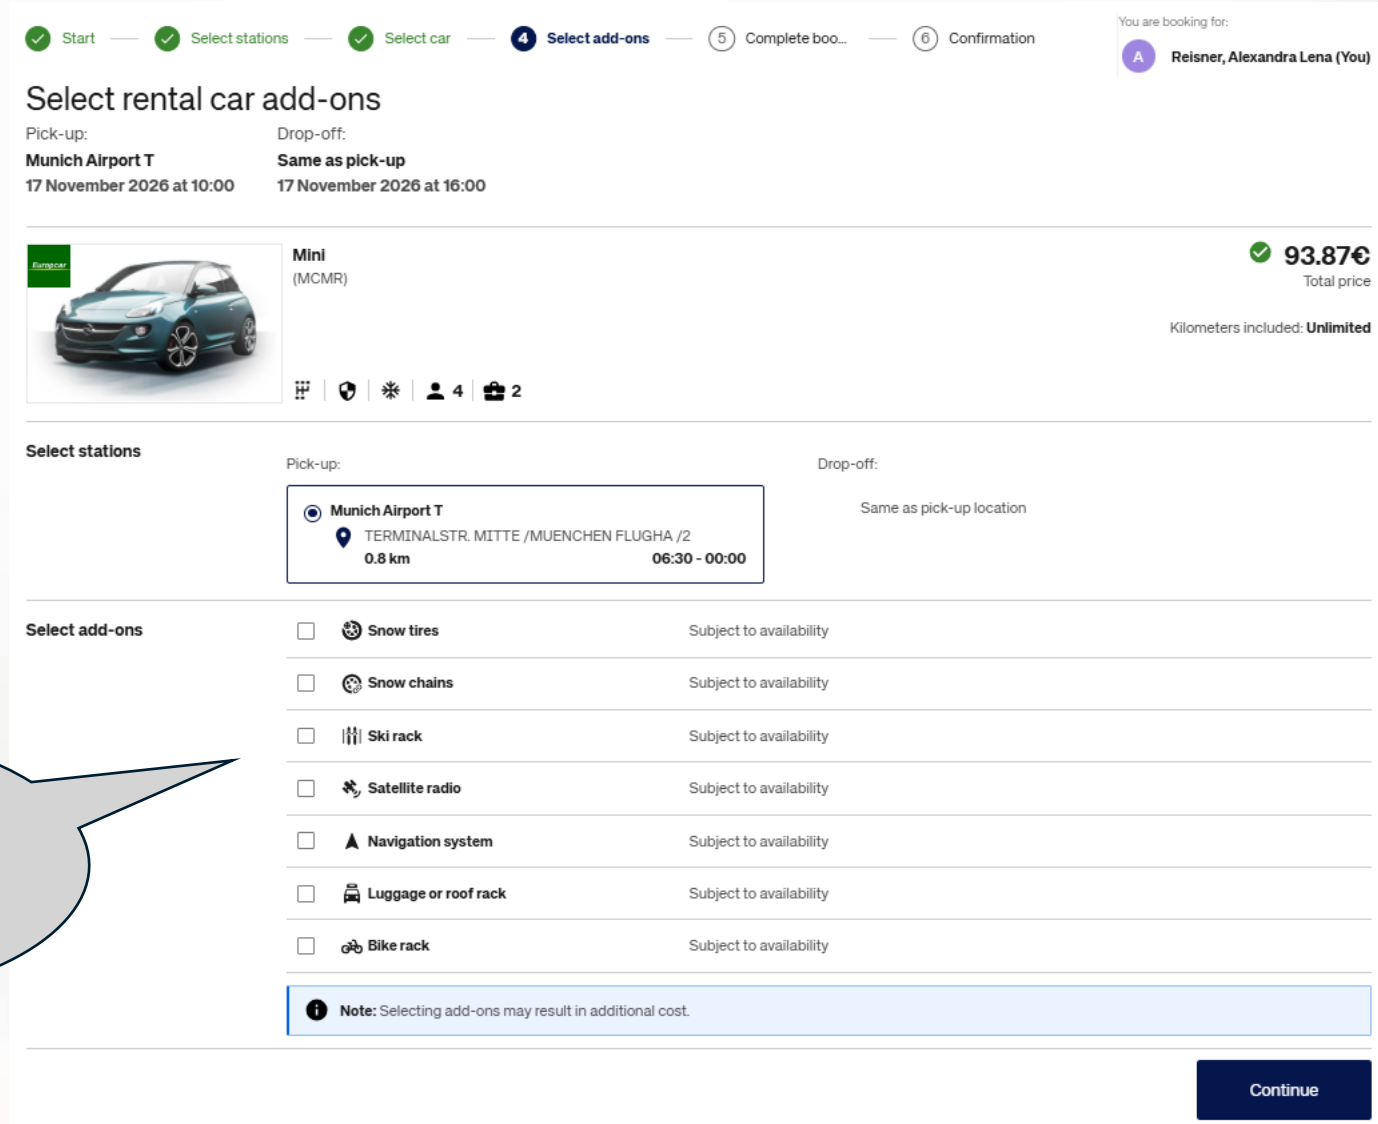

The search results are sorted by the lowest price. You can change the sorting here (for example by car company).

Rental car selection (1/2)

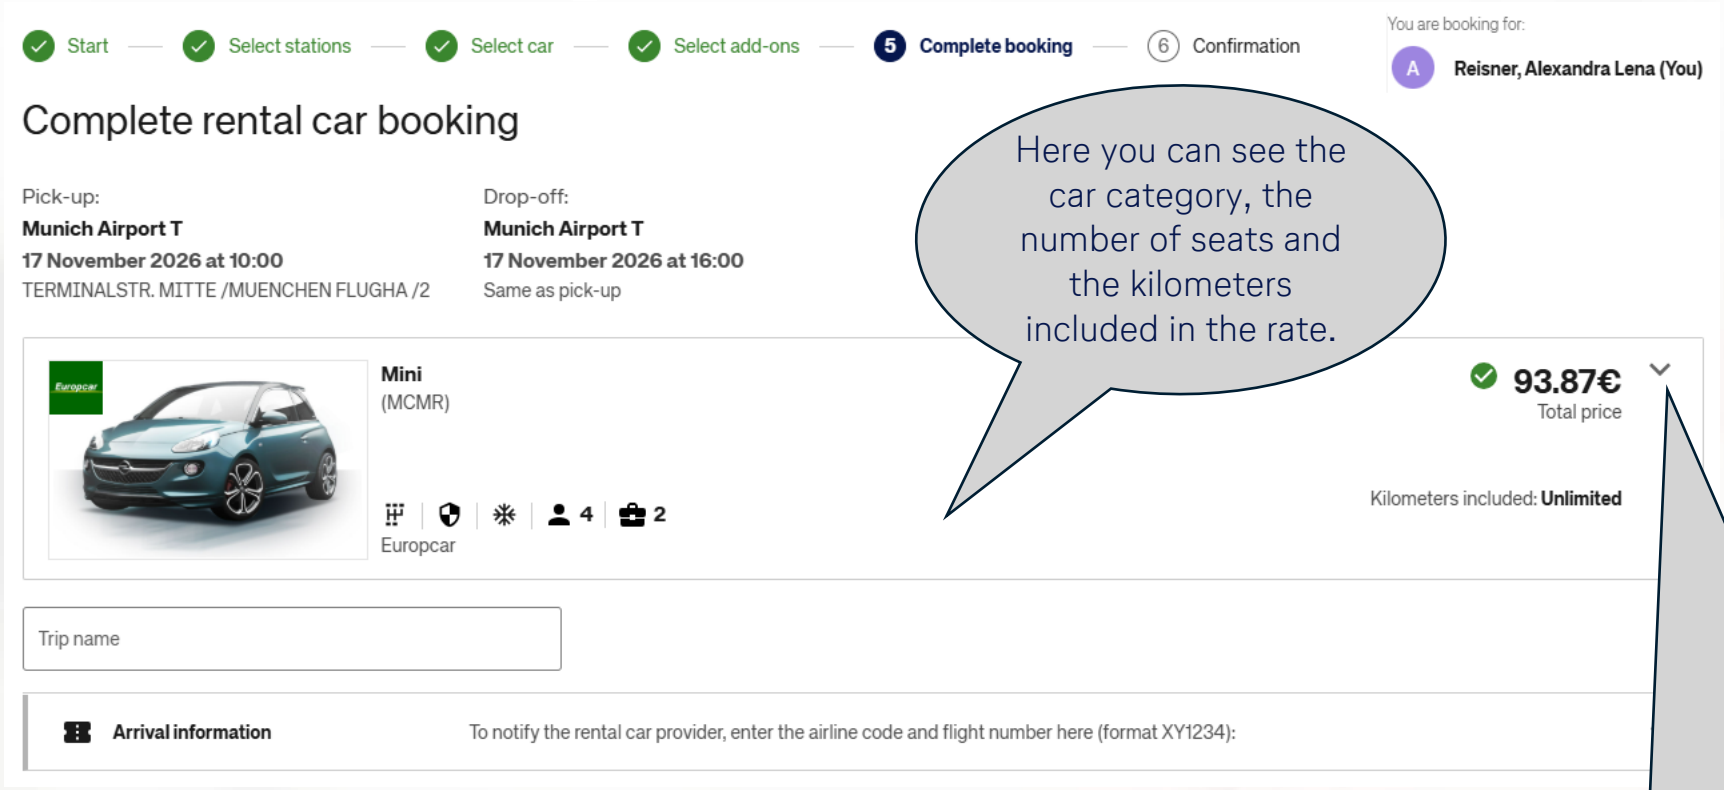

Once you have decided on a rental car, click on "Select car".

Rental car selection (2/2)

Overview of the optional add-ons that can be selected.

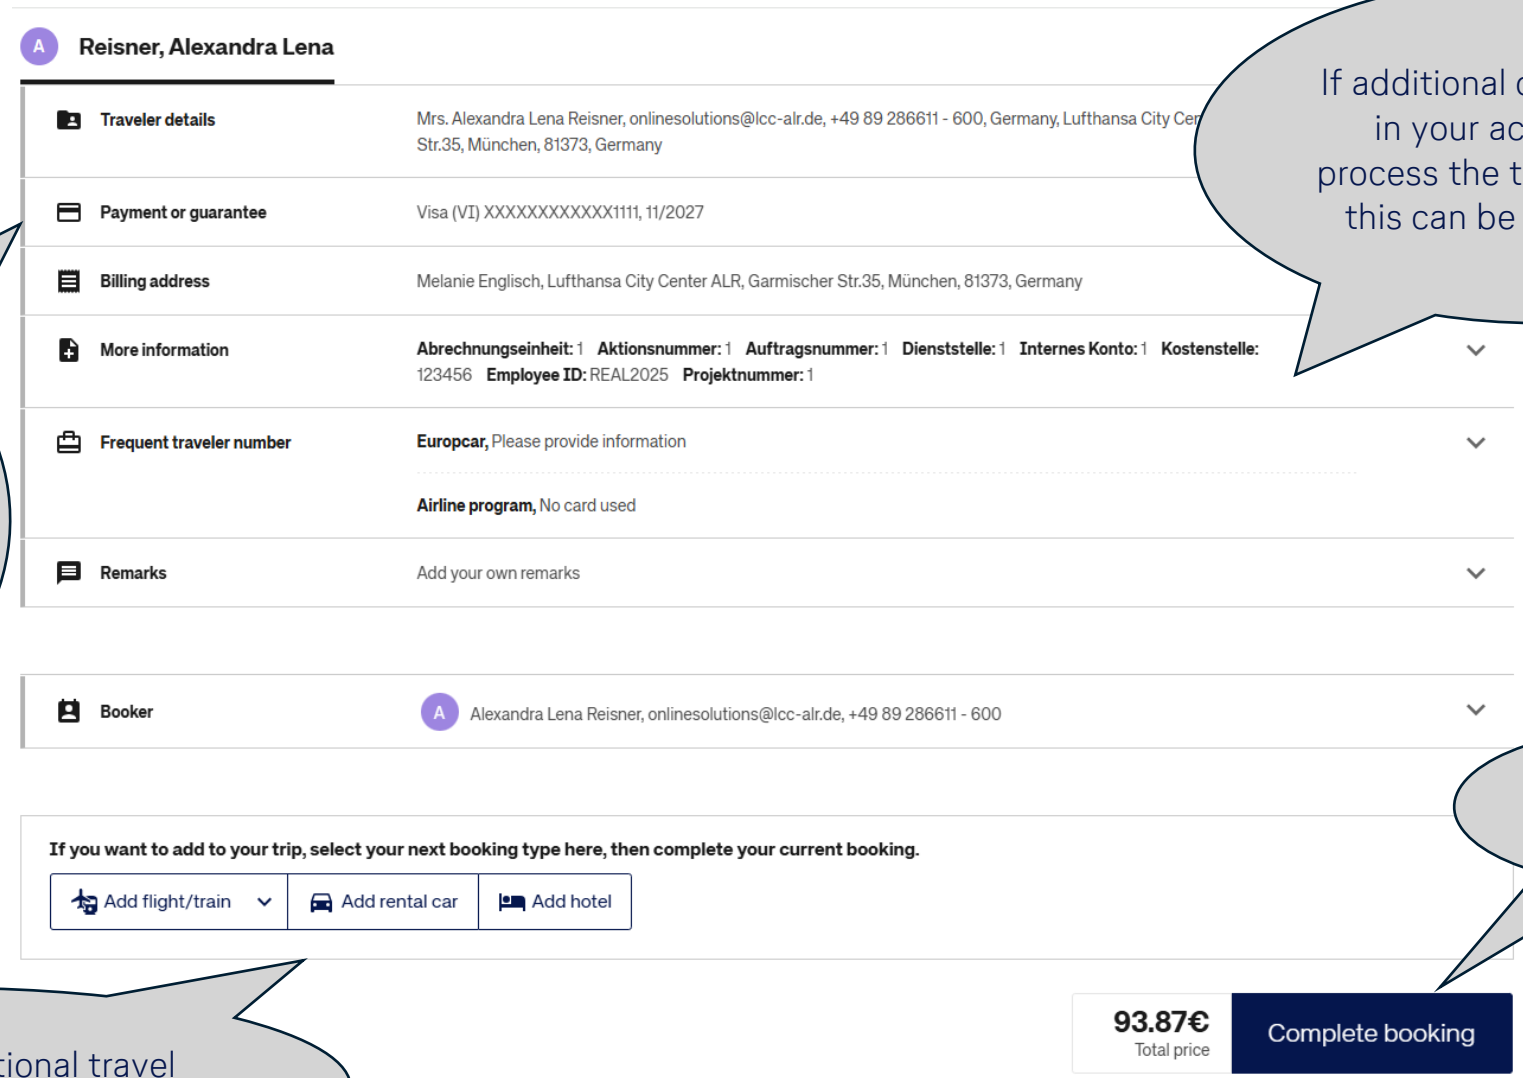

Reservation completion page (1/2)

Here you can see the car category, the number of seats and the kilometers included in the rate.

If you click on the arrow, you will receive information about the rental car station (address and opening hours) as well as an overview of the equipment/insurance included in the fare.

Reservation completion page (2/2)

If additional data is required in your accounting to process the travel expenses, this can be entered here.

Depending on what your company has negotiated with the providers, the rental car will be paid via the central company card or via a personal credit card on site.

Complete the booking.

If you require additional travel services, please select them here.
