The online travel itinerary

You can add means of travel to the existing trip by selecting the desired travel means and then starting the booking process.

The screenshot displays the Lufthansa City Center online travel itinerary interface. At the top, the user's profile is shown as 'Musterfrau, Martina' with a 'Support' link. The main navigation bar includes 'Flight', 'Rail', and 'Hotel' options. Below this, there's a section for 'Note for the printout' and a 'Booking reference' field. The itinerary itself is a round trip between Munich (MUC) and Düsseldorf (DUS). The first leg is on flight LH2004 (AIRBUS INDUSTRIE A319) departing at 07:30 and arriving at 08:40. The second leg is on flight LH2021 (AIRBUS INDUSTRIE A320 SHARKLETS) departing at 18:30 and arriving at 19:40. Both flights are operated by Lufthansa Cityline. The total price for the journey is 165.20 €. At the bottom, there are three buttons: 'Send Itinerary', 'Print Itinerary', and 'Cancel Journey'.

You can view the actual status of your booking online at any time in your onesto travel platform.

Here you can initiate the travel itinerary sending by email again or print the travel itinerary.
